Dear Mr. Wardlaw:

I want to express my sincere appreciation to the Board of Directors of Edwards Community Alliance for the resolution in support of Antelope Valley College's bond measure.

Passing a local college facilities bond requires a broad coalition of community support, and the endorsement of Edwards Community Alliance will go a long way toward ensuring a successful bond campaign.

Both your resolution and press release indicate that the availability of an educated workforce is key to the success of the communities surrounding Edwards Air Force Base. As you are aware, Antelope Valley College works closely with area businesses and leaders to provide educational opportunities and training that meet the needs of the community. By passing the bond measure, voters will provide Antelope Valley College the means to modernize and expand its facilities so that community needs will continue to be met well into the future.

Thanks again for your support!

Cordially,

Jackie L. Fisher, Sr.
Antelope Valley College
Superintendent/President
